Satellite tournaments for players who are getting started in regular junior tournament competition. Starting July 1st, 2008, SCTA junior satellite ranking will be separate from the junior open rankings. Listed below are eligibility requirements for satellite tournaments. ***Please note that in order to have the tournament count as a "win", the player must have won the tournament and won three or more matches ( not including byes or defaults unless the default is in the finals) to win the tournament.***

1. A player must have never been ranked in the top 50 by the SCTA, any other USTA section, or foreign country (top 40 in the 10's) in singles in any previous year in any age division. (Example, A player ranked #45 in the 12's may not "play up" in the 14's 16's, or 18's; he/she is ineligible for satellite play). This is a FINAL published ranking, not a standing /seeding.

2. A player may "win" a maximum of two satellite tournaments in the same age division (each with 3 rounds or more). The player must then move up to the next age division, where they may "win" a maximum of two tournaments in that age division.

3. A player may "win" no more than four satellite tournaments during a calendar year. However a player may not "win" more than 5 satellite tournaments during the juniors career.

4. A player that "wins" their first satellite tournament may play in their same age division or may move up and play a higher age division in subsequent satellite tournaments (i.e a winner in the 10's may stay in the 10's or move up to the 12's)

5. It is each player's responsibility to notify the tournament director in any subsequent Jr. Satellite Tournament of any change in his/her status as a result of winning a Jr. Satellite Tournament. If such notification is made prior to play, the player is entitled to a refund of any entry fee paid, or may request to be moved up an age division.

6. SCTA Satellite Master's Championships: Held each year, the Master's Championships is for all players who have won a Satellite tournament during the calendar year. Eligible players will receive an invitation from the SCTA office.

***The Dunlop Championship Ball is the Official Ball of all Satellite Tournaments held at the Barnes Tennis Center.***
